

## Step 2: Download eBooks from Axis360

Select and check out eBook titles using a computer or a handheld device.

1. Go to <http://tpl.axis360.baker-taylor.com>
2. To select eBook title, click on book cover and then on one of the following options:
  - ⇒ **Checkout Now:** Check out the book immediately. This option results in an automatic checkout period of 21 days.
  - ⇒ **Add to Checkout List:** Use this option if you want select more than one book, or if you would like to select a loan period of between 3 and 21 days.
  - ⇒ **Add to Wish List:** Use this to save titles that you want to remember, but don't plan to check out immediately.
  - ⇒ **Place on Hold:** This option will appear if a book is checked out to another user. Select it to place yourself on the list for the next available copy. You will be prompted to enter your email address so that you can be notified when your book arrives. Titles will be held for 3 days.
3. If you have created a **Checkout List**, click on **Shopping Cart** (top right) and slide bar to **select loan period**.
4. Click **Confirm Checkout**
5. Complete Axis360 user profile (1st time only)
6. Enter your **library card & PIN numbers** (same as used to log in to your library account), and then click **Login**
7. Enter your **Blio ID & password**, and click **Login**
8. Click **OK** (the title will be delivered to your device)
9. To read, open **Blio reader** on your device
10. To sync title, tap **Book Archive** (Android), or **Get Books** (iPad);

**Notes:** You may borrow up to 4 eBooks at a time. Minimum loan period is 1 day; maximum is 21 days. Books cannot be returned before their due date, however, you can adjust the date due. At this time, the service is not compatible with the original Kindle and Nook devices.
